Testimonials.

WASHINGTON, D. C., March 5, 1864. DR. LIGHTHILL-Dear Sir: I take this opportunity to publicly express my gratitude for the wonderful cure of deafness you have in so short a time effected in my case.

I was deaf for about six years, and for the last few years so much so that I could not hear preaching or common conversation; but now since your invaluable services have been rendered, I can hear as well as ever.

In conclusion, let me say that the noises with which I have been troubled in my head for years, have also disappeared.

Very truly yours. JAMES R. MCCATHRAN, 10th street, between E and F.

WASHINGTON, D. C., March 4, 1864. This is to certify, that having been deaf since the year 1858, and since that time gradually losing my hearing until I was unable to hear common conversation or public speaking, I applied to Dr. Lighthill, of New York, who, after a short and painless course of treatment, entirely restored my hearing. I heartily recommend Dr. Lighthui to the deaf.

FREDERICK ROBERTSON, Residence near Fort Saratoga.

WASHINGTON, D. C., March 2, 1964. This is to certify that having been affected for twenty years with deafness, and having tried some of the most eminent doctors of our city without any relief, I at last heard of Dr Lighthill and put myself under his care. His treatment was brief, and successful. I am now completely restored, and the cure is apparently permanent. I have all confidence in Dr. Lighthill's skill, and would advise all afflicted with deafness to go and consult him at JOSEPH WHITNEY, Residence near P and 11th streets.

Remarkable Cure of Deafness. From the Rev. Joseph M. Clarke, Rector of St. James' Church.

SYRACUSE, February 20, 1861.

JOSEPH M. CLARKE.

I have been deaf in one ear, ever since I was in college, some twenty years ago. By the skill of Dr. Lighthill, its hearing was entirely restored, so that now I hear alike with both ears, and I find that I can use my voice with much more ease and comfort than before.
